organized an International Reverse Buyer-Seller meet during the exhibition.

3. IndiaChem–Gujarat 2011 international exhibition was a huge success with participation of over 150 exhibitors including 15 from abroad. A Focussed pavilion covering the dyes sector, with participation of 24 companies was set up by the Gujarat Dyes Manufacturers Association. The exhibition included participants from six countries viz: USA, China, Japan, Germany, Belgium and Singapore. The Exhibition received over 6000 Business Visitors which is an indication of the good interest generated by the event. The event succeeded in showcasing Gujarat State and India's capability in the chemical sector with special focus on segments of the chemical industry covered by the event.
4. A conference with the theme "Leveraging Gujarat State Advantage in the Global Chemical Industry" was also organized concurrently with the exhibition. The same endeavored to highlight issues as also potential of these segments and was also found very useful by the industry. Appropriate follow up action on the suggestions received during the Conference will be taken.
5. An international Reverse Buyer Seller meet which was organised by CHEMIXCIL (Chemicals Export Promotion Council), of Department of Commerce, was also a huge success. The same attracted above 60 buyers coming from 23 countries especially
